

Annual Meeting Update

RWPA's annual meeting is planned for Saturday, June 27, 2020 at the Raymond Public Safety Building at Route 302 and Main Street.

It's too soon to know whether the coronavirus crisis will force us to postpone, cancel, or move the meeting. If we make any changes, we'll post the information here, so please check before coming to the meeting.

We'll also email any changes to all **members** whose email addresses we have. If you have not given us your current email address, you can do so by sending a short note to info@raymondwaterways.org

Please consider making your annual donation to RWPA by going to our Website <http://raymondwaterways.org> and clicking on the red "Donate" tab. There you can make a contribution by credit card or PayPal. This will allow us to handle less paper mail, and save you from licking the envelope!
